For purposes of this Policy, “Agency Head” refers to the County Administrator, County Attorney, or Internal Performance Auditor.

Such payment may include expenses incident to travel and per diem for the successful candidate and his/her spouse one time for the purpose of finding a residence prior to or at the time of commencement of employment with Hillsborough County.

Such payment may also include expenses required for the successful candidate and his/her spouse to relocate their household goods.
Such payment may be made to those in Senior Management positions. Such payment may also be made to those in management positions below the Senior Management level as the Agency Head deems appropriate based on the need to recruit applicants outside the local area because of the requirements of those positions.

**Responsibilities:**

The BOCC hereby delegates the implementation and ongoing administration of this policy to the Agency Head. Accordingly, each Agency Head shall develop procedures for payment of expenditures reasonably and customarily related to relocation.

The Agency Heads may honor any commitments made prior to the date of this policy to pay amounts allowable under this policy.

**General Guidelines for Reimbursement:**

1. Expenditure of public funds must comply with this policy and all laws, statutes and regulations.
2. Payment of expenses for relocation of household goods shall be limited to packing, shipping, unpacking and, when necessary, a maximum of six months’ storage of goods constituting personal effects and property used, or to be used, in the employee’s residence.
3. Payment for relocation expenses shall not exceed the actual expenses incurred.
4. The County will have no responsibility to pay any expenses related to relocation unless the person actually begins employment with the County.
